Position:

Equipment Operator / General Laborer

Compensation:

10.00 Per hour

Health, Vision, and Dental Coverage

Defined Contribution Retirement Plan

Summary:

The Village of Howard City is now accepting applications for the position of full-time Equipment Operator/General Laborer.

Typical Duties and Expectations of an Equipment Operator/General Laborer:

- Lifting 80 lbs with or without accommodation
- Ability to report to work within 30 minutes notice (for emergencies and snow plowing)
- Work a rotating on-call weekend shift
- Ability to climb up a ladder (with fall protection) as high as 130 ft and descend on a ladder to below 30 feet sometimes in tight locations.
- Operate Village equipment in a safe manner
- Ability to pass Michigan water and wastewater certification courses
- Interaction with the community in positive and professional manner
- Have a general knowledge of construction and municipal service operations
- Have a general knowledge of snow plowing and road maintenance operations
- Perform maintenance on Village equipment and buildings

Resumes will be accepted until 3-18-10. Qualified applicants would have at minimum a high school degree or equivalent. Candidates must possess a valid Michigan operator's license and be able to obtain a CDL with CB endorsement within one month of hire. Candidate will also be required to pass the appropriate training to become a member of the Howard City Fire Department within one year of hire. Candidate must also pass an extensive background, physical, and/or psychological examination as well as an oral assessment and drug screening.

The Village of Howard City is an equal opportunity employer. Resumes must include work experiences and references.

Submit cover letter and resume to:

Municipal Services Director
