Dear BUDGETAG Customer:

Thank you for choosing ***GREEN VALLEY DISPOSAL SERVICE*** as your waste disposal company! We would like to share just a few guidelines for the use of BUDGETAGS for your weekly trash service.

1. **HAVE TRASH BY THE ROAD THE NIGHT BEFORE YOUR SERVICE DAY.**
2. **Every bag or can you put out for pick-up must have a BUDGETAG attached! We will not pick up items that are not properly tagged!**
3. If you use bags, limit the size to 32 gallon or less. Remove the backing from the tag, and wrap the BUDGETAG around the top of the bag.
4. If you use a trash can, limit the size to 32 gallon or less. Just remove the backing from the BUDGETAG and wrap the tag around a handle of the can. Cans larger than 32 gallon in size require two or more tags.
5. Limit the weight of you bag or container to 40 pounds.
6. To keep animals from making a mess, simply sprinkle a small amount of ammonia inside the bag, this will deter even the hungriest animal!
7. When you need more **BUDGETAGS**, simply **CALL US TOLL-FREE** and order over the phone with your **VISA** or **MASTERCARD** and we will mail more **BUDGETAGS** to you the same day! You can also mail us a check, using the form below.
8. On holiday weeks, our routes will run one day late after the holiday. The holidays we observe are New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day and Christmas.

Thank you again for the opportunity to serve you! Please feel free to call our office at 1-877-977-3783 with questions.
