

VILLAGE OF HOWARD CITY PERMIT:
Bows, Firearms & Pneumatic / Air Guns

The discharge of Bows, Firearms & Pneumatic / Air Guns is a prohibited activity within the Village Limits unless a permit is issued to a landowner. This permit is to ensure controlled shooting and/or target range environments within the Village of Howard City to protect life, limb and property in accordance with Chapter 134 of the Village of Howard City Code of Ordinances. *Note: When a permit is issued, an adult landowner is responsible for all actions on their land and shall be within constant site proximity of a youth while a youth is using a bow, firearm or pneumatic / air gun on permitted private property within the Village limits.*
